Dear Mr. Phan:

I hope by now that you have received the following packages. Although I can see they have been successfully delivered to the USPTO, I have not been able to reach the TC 2100 legal instruments examiner to check further on where they may reside in the process.

The packages:

Express Mail ED418355929US Arrived 11/05/04 9:20AM

This package was addressed to you at AU 2123 with CDs containing Windows Media video of a demonstration of the invention as filed. (I have since created new demonstrations of early versions of the invention which I hope to present to in person.)

Express Mail ED418354490US Arrived 10/25/04 9:09 AM

Missing declaration to complete earlier IDS filed 5/06/04
Draft copies were faxed to 703-746-7240 on 10/22/04.
The package was addressed to "Commission for Patents" address, rather than "Missing Parts".

Thank you,

Chris Rode
